

Magnetic Imaging (MRI) – Preliminary Information Form

Please complete this form with care and bring it along to your appointment.

Name _____ Personal identity code _____

Height (cm) _____ Weight (kg) _____

There are some obstacles to the MRI procedure. To exclude these, we kindly ask you to respond to the following questions:

Do you have any of the following:	Yes	No
Pacemaker and/or pacing leads		
Artificial heart valve		
Cochlear (inner ear) or middle ear implant		
Medication pump (e.g. insulin pump)		
Are you pregnant?		
Implanted nerve stimulator and/or stimulator leads		
Shunt, stent or coils		
Aneurysm or surgical clips		
Breast expander prosthesis		
Metal fragments in your eyes		
Metal fragments in your head or body		
Other electronic implant in the body		
Diagnosis of kidney failure		
Weight above 140 kg		

If you answered YES to any of the questions above, please contact the MRI unit, tel. 044 707 9202, Monday to Thursday 8 am–2 pm and Friday 8 am–1.30 pm.

Do you have any of the following:	Yes	No
Sensor that measures glucose in interstitial fluid <ul style="list-style-type: none"> sensors must be removed for the duration of the scan. 		
Transdermal medication patch <ul style="list-style-type: none"> You should change your patch on the day of the MRI. Remove the patch for the duration of the scan (except for hormone patches). 		

Joint prostheses, dental prostheses/implants, orthodontic braces or sterilisation clips are **generally** not an obstacle to MRI. Inform the staff of any tattoos or permanent pigmentation when you attend your appointment. Remove any piercing or other jewellery prior to the examination.

If you have someone accompany you, they can be present in the MRI scanner room. The person accompanying you must not have any contraindications for MRI.
